### Industrial Warehouses for Sale in Jet Park

For sale: 63,018 sqm industrial property in the highly desirable Jet Park area. This expansive estate offers prime highway exposure and easy access via the Griffiths Road offramp, ensuring excellent connectivity for logistics and distribution. The property features multiple warehouses and factories, ranging from 1,308 sqm to 12,982 sqm, suitable for a variety of industrial needs with room for growth and customization.

Each unit is designed for efficient operations, supported by robust infrastructure for heavy-duty activities. The estate is equipped with multiple cranes, ideal for manufacturing and warehousing requiring significant lifting capabilities. It also has a substantial power supply to support energy-intensive processes, ensuring consistent productivity.
